Empfangsbestätigung (e) 2003-07-02(2).doc

The obligation of notification for the above mentioned product/s according to Art 6. of the Swiss Medical Devices Ordinance (MepV) respectively Art. 10 of the European Directive 98/79/EC is thus fulfilled.

This acknowledgement of receipt is neither a conformity certificate, an approval nor a quality assessment of the product. With this confirmation, Swissmedic takes knowledge of the fact that the notifying person placing medical devices onto the Swiss market or treaty countries does so at their own responsibility.

In context of additional monitoring, Swissmedic reserves the right to ask for supplementary documentation or information.

Yours sincerely,

Swissmedic, Swiss Agency for Therapeutic Products  
Medical Devices Division

**Dr Andreas Schlegel**  
Scientific Officer
